Dear Board Members

MPGA Rates Guide

The Master Plumbers & Gasfitters Association of WA ("MPGA") in conjunction with the Institute of Plumbing, has spent considerable time and resources in developing a Pricing Guide for the Plumbing Industry. (Please see attached Guide).

The cost of the Pricing Guide has been considerable for the MPGA, however, it is now being used extensively throughout the Industry within Western Australia.

The Pricing Guide is also a mandatory requirement for all of MPA Skills' courses concerning pricing and estimating.

The MPGA would like to be able to offer the Pricing Guide at a subsidised rate to increase its circulation and up take within the Industry. Current costs of the Pricing Guide are –

\$75.00 (Non members) \$50.00 (Members) \$25.00 (Apprentices)

The MPGA would therefore like the PLB to consider some financial support for further distribution of the Pricing Guide. This support would be recognized in future sales to the Industry.

I look forward to the Board's response concerning this proposal.

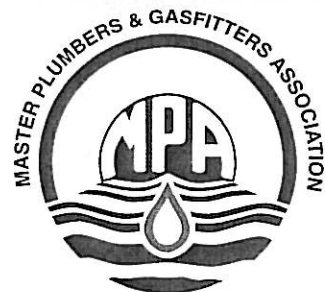

Yours sincerely

Murray Thomas
CEO
