Dear Jean

Reciprocity and Transfer of License

The MPGA Executive Committee would like to thank you for your attendance at our August Executive Committee Meeting.

At the meeting, a matter was discussed concerning the time taken for skills recognition / licensing transfer for plumbers inter state. The Executive Committee would like clarification on the issue, and if the process can be expedited in accepting qualifications by the PLB.

In most circumstances, it is taking 6-8 weeks for this transfer to occur. Therefore, obviously creating problems with employers who cannot employ these people without relevant qualifications in Western Australia.

I would appreciate your response concerning this matter at your earliest convenience.

Yours sincerely

Murray Thomas
