Dear Ms Seif and Board Members

I wish to confirm that I have been elected President of the Master Plumbers & Gasfitters Association of Western Australia ("MPGA"), effective as of 1 January 2009.

Due to added commitments and time required with the MPGA as new President, not to mention the possibility a conflict of interest that could arise whilst continuing to be a Board Member of the PLB, I feel that it is best that I resign as the MPGA's representative.

As the PLB requires 3 nominations for consideration as my replacement, I will raise this issue at the MPGA's next Executive Committee Meeting, being Wednesday 18<sup>th</sup> February 2009. Once we have nominations to hand, we will forward same directly, in order that this matter can progress expediently.

I am happy enough to continue to provide the MPGA's representation on the Board, until such time as a suitable replacement has been approved by the Minister.

I thank the PLB for the opportunities I have had to contribute to and be part of some significant industry initiatives during the past five years.

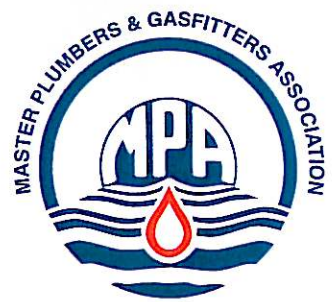

Yours sincerely

Kim Byrne  
President
