

# *In Good Hands*

**Celebrating the history of Plumbing in Western Australia**

*"Western Australia's plumbing industry is an invaluable part of our community and this book is a wonderful effort from the industry itself to share its fascinating history. Plumbers of today and tomorrow can now better understand and take pride in the important story of which we are a part. Those of us outside the plumbing industry can learn to better appreciate that the ability to take plumbing for granted is itself a privilege."*

**Past MPA President - Noel Abercromby**
